the majority or plarality in the next House.

What does our neighbor of the Democrat think
of such a contemplated alliance between his brother las aquatters and the Black Republicar s? Will bedenouse it or wink at it? We should like an College of that city, died in Charleston, S.C., of which and the college of that city, died in Charleston, S.C., of wednesday has. Failing health included him to now the control of the ety was more formal than real, and took a friend to task for wearing feathers. "But," said the friend, must draw the line somewhere, and I draw it of feathers." So we want to know where the Democrat will stop-will be draw the line at the clerk-

Some of the Southern papere say the reason mad from Marquette, Lake Superior, 18 miles inland, why Slidell withdrew the Thirty-million Cuba bill after the Democrate in course had determined to force it to a vote by a continuous session was the fear that Douglas would head him off. It seems the Little Giant' designed to make a speech in favor company will rush the road slope at the company will ru of a proposition substantially like that of Maron's, which it was evident would receive the entire Ra-publican and American vote, with anticient Demo-crate to subject Slidell to a humiliating defeat. Acordingly S idell moved an emendment, and withnot understand the real facts of the case, we doesn drew his bill. Mason's proposition, it will be remembered abandoned the Thirty-million engropris-

We loke up its charges in tion, and merely expressed an opinion that the about an extra session before the Southern elections, and merely expressed an opinion that the about an extra session before the Southern elections, and more leading to purchase Cuba for a so as to let try where and to retain the freches and append over \$1,000,000. Free fair equivalent wherever Spain was willing to part large privilege, so as to be able to send tons of elecwith the island. While the Baltimore Clipper thinks 27,000 composition of a similar character would have con-manded the votes of a majority of the Senate, and manded the votes of a majority of the Senate, and the Buchanan Slidell scheme would have met with 225,000 a most diagreceful defeat. This was negrestionably the motive for the withdrawel of the Thirty-million 175,000 and 185 and 1 again early in the next session of Congress.

mass in a lhousand ways the revenues and wealth vides: first, that no editor shall be legally lankle here after for a libel upon any person who is, at the time of each libel, the lucumlish of a public office to oval of our citizene a number of times), it would which he has been elected by the people; and second, have been fair to state what were the assets from the same sources, and not assert that there has been by or at the instigation of any public officer elect some such by the people, if it can be celeblished that such edi-apent for. (For the Louisville Journal | LINES. TO MISS JENNIE M. P.

Jennie, you asked a verse trom me My little birds that rise to sing. Flutter and feel a broken wing. Fluttering and falling alleutly. I know your many pleasant ways Your gentle emits—your voice a Not often in life's dust we find The blooding of a truer face.

If I could plant a rose-tree, lo ha verse to know you with its breath, The rosss' leaves might fall in death— Their fragrant souls would hand the song.

Could I a charmed fountain start In song, your face should there be seen: My heart's the fountain: Look withit our face looks levely from my heart!

(Dr. Thomas D. Mutter, of Philadelphia, f. merly Professor of Surgery in the lefferson Medica College of that city, died in Charleston, S. C., o idoes that the Americans would tolerate any aign the chair and visit Enrope, but he received no death in his native southern city, to which he subwhy are my feathers any more objectionable than eloquent and lurid lecturer, and a devotee to his the brilliant artificial flowers in your own bonnel? "Oh" replied the censorious disciple, "Christiane desired by the consorious disciple, "Christiane"

> SALE OF A RAILROAD.-The Iron Mountain Rail company will jush the road along at once and open a route to lake Superior by rail from the rest of the world. The portion of the road already built surmounts the ride e of the peniusula and rises a tho

The Washington Union charges that the real bjects in defeating the postoffice bill were to bring bout an extra session before the Southern elections, tioneering decuments over the country during the next Presidential campaign. It would seem then that Senators Toombs, Mason, Bayord, and other Damperste sided this effort most effectually and

ally developing itself la favor of reopening the African sleve trade, and yet it claims Thomes Jeffer-son as the greet apostle of its creed. At the second session of the IXth Congress, which convened at again early in the rext session of Congress.

Washington December 1, 1806, Thomas Jefferson, then President of the United States, in his message

Car Senator Brown, of Mississippl, in his rec liall, expressed the opinion that every one of his to wait on him. The New York Times thus good neturedly "responds to the centiment:

Protest of Horace B. Fry against the Report of the Majority of the Disorce Committee, sentatives of the State of Fennsylvania.
Whereas, I am ululy advised that the Divor
Committee of your honorable hody has adopted as
with report the annexed Freamile and Act for it
tilivores of unyself and my wife Emily L. kgy, The first Item refers doubtless to the city printing, which the Courier did not get; and thit is the only time that we have ever heard condemned the practice of publishing what was done by our City Counsella. It is asserted that the City Workhouse, during the past five years, has been a charge of \$3,800 apon the city. This is a lumping charge, and no items are given, but the facts do not anntain the assertion. On the contrary, the city is in debt to the Workhouse. By an examination of the quantarly manager.

seems, of the first years with the colors of the treasury. He make this examination to be found, and the calaries poid to them are very moderate in the colors of the treasury. He make this examination to found, and the calaries poid to them are very moderate in the found, and the calaries poid to them are very moderate in the found, and the calaries poid to them are very moderate for their deficiency, not only by the press of different colors of the treasury. He make this examination for their deficiency, not only by the press of different proves, and dow good to deficiency, not only by the press of different proves, and dow good to deficiency, not only by the press of different proves, and dow good to deficiency, the state of the provision of the city. They have been poil to true, last are noce the less affective on that second as guardians of the city. They have been poil to five years the coroneas some of 6400,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the treasure, the coroneas some of 640,000 Nev to the first of the first

Futther: I protest against the very first sentence in that as we house. Thus, we did not separate, as the pressible assert; and the assertion cannot stand in it without perverting truth, desied nowhere else, and by notody; no, not even by my wife herself.

Further: I protivest against the assertion in the said preamble, that my wife and myself can never lie reconciled. So lare as it refers to me it is gratuitous, since I albue am competent to epeak for my self in his regard. It can bardly be said that any man out of the Legislature can affirm for me that on thing in the office of a Legislature which enables him to do so. It may be true. But the probability is no warrant whatever for the practical conclusion that a divarce should now be suforced upon musiculat a divarce should now be suforced upon the proceedent in the stand of the forms of justice, legislature or judicial. No pretext in reason. No color of right. It is the first instance in any civilized community—and God grant it may be the last—in which the doctrine has been announced, much less using differ the adoption of a body of law makers, that wrong is its own proper and ultimate justification, and that the sacred sanction of law shall crown to purposes of the wrong doer, endorse patent perjories, and purify reputative stained by wanton shame, while it operates to asperse the character and crash the claims of the inocoent.

shame, while it operates to asperse the charact and crush the claims of the innocent.

ENGLISH OPERA—The delicious questities of policies word make a first-rate requadrou around the Seciety and Sandaich islands, of watching a two-rath-toportunity to "a ed, and elicited the most enthusiastic applause from a fair andience—but nothing commensurate in numbers with the attractiveness of the troaps. Mr. Cooka's Dulcamara was an artistic performance; he is as good a tuffo singer as we have heard in Fag. lish opera. The duett "I have Money, thou hast Basuty" was charmingly rendered by Miss Milter and him, and Mr. Bowler as Nomerice and with grace and delicate expression. To night the troaps appear in Bellimi's grand opera of the Semantulist, and the parts are strongly distributed. All lovers of monic about take advantage of the visit of Mr. Cooper's company to enjoy their fine voors.

ARREST OF THE PETERSBURG FORGER,-Edw'd Arlington, charged with recently passing a forged and check for \$4,100 on Paul & Histon, of Petarsburg, Va., who was arrested in Baston a few days since, but discharged for wan' of identification, has been of w from the Governor of Virginia has arrived in the latter city by a special measurer, who at once recognized Arlington as the guilty party. It is alleged that the prisoner is connected with the gang who victimized the Continental and other banks of New Th. York to a considerable amount about a year times. The manner of the forgeries was by buying a small bill of goods at stores, and, instead of taking c'anga after paying for their purchases, they would take the checks of the merchants, so as to get acquainted with their signatures.

lid work of art leaves town to morrow (Thuriday). treet. It is not and will not be sold in print stores. A word to the wise, &c.

bot a question or retorm in one State or Italy or another, for is it a sentimental question of nationality. It is a duel of two contending principles and a question of life, of brasd, of house and home for thousands of exiled and unforing men. It is not so such a political as a merely humane question. He and as a

The Paris correspondent of the Naws asys that the nater absence of war estimates unfeigned surprise in the Imperial circle. The soldiers whose term of service has expired do not reculist is spite of the great advantages which are held out to them.

the around and one and of the rope was tightly grouped in the hand.

Mr. Watson had suffered great discrees of mind for several days on account of the fillness of bla wife. He haid to a triend on Saturday, with tears in the eyes, that he did not think the condit recover. This is supposed to be one of the causes which led him to commit the deed.

From Piead. — Jaremiah Stringer was found dad in his bed yeaterday at the honse of his mother, on Market street, between First and Brook. He walked into his room at 9 o'clock yesterday more.

Dr. Ruchanan, the Coroner, held an inquest on the body, and Professor Goldsmith made a post-morteen aramination, bet nothing was slicited as to the cause of hi, death.

Mr. Stringer resided recordly at Hawesvilla. The report that he had to leave there on account of the Lows affair is not true. So we learn from a citation of that place.

Information Wanted—Of the whereabouts of Mr. Alexander Shaw, a printer. He was in this city shout two weeks ago. Any intelligence in regard to him will be gratefully acknowly iged by address of the same when more than three practices are required to him will be gratefully acknowly iged by address of the defensive.

New Bouns—We are indebted to Morion & Griswold for The Methodist, or Incidents and Characteristics of the Baitimore Conference, by Miriam Fletcher, in two vulnumes, from the press of the Lows affair is not true. So we learn from a citation of that place.

Information Wanted—Of the whereabouts of the Senate, by Major Jack Downing. Illustrated with sixty-four original and characteristic and the registration of the defensive.

Mr. Bround Syrap, and by the anse of three bottles I am perfectly cared of both despessia and piles. My general health now is all that I can desire it to be. mid-dl?

MILLIONS ARE WASTED by those who huy worthess constrains and forget the virtues and afficacy of the sense of the defensive.
